

GHS

The social marketplace promoting Hemp to change the world

www.globalhempservice.com

Vision

There will be more Harmony when Humanity uses more Hemp

It all begins with a seed...

Mission

Deliver an efficient toolset for the Hemp industry to flourish on the global market

...with a bit of water, sunshine, love...

FUNDING

...and a lot of hard work.

Market

Turning a \$4.6 Billion industrial hemp material production
into \$100's Billion consumer industry

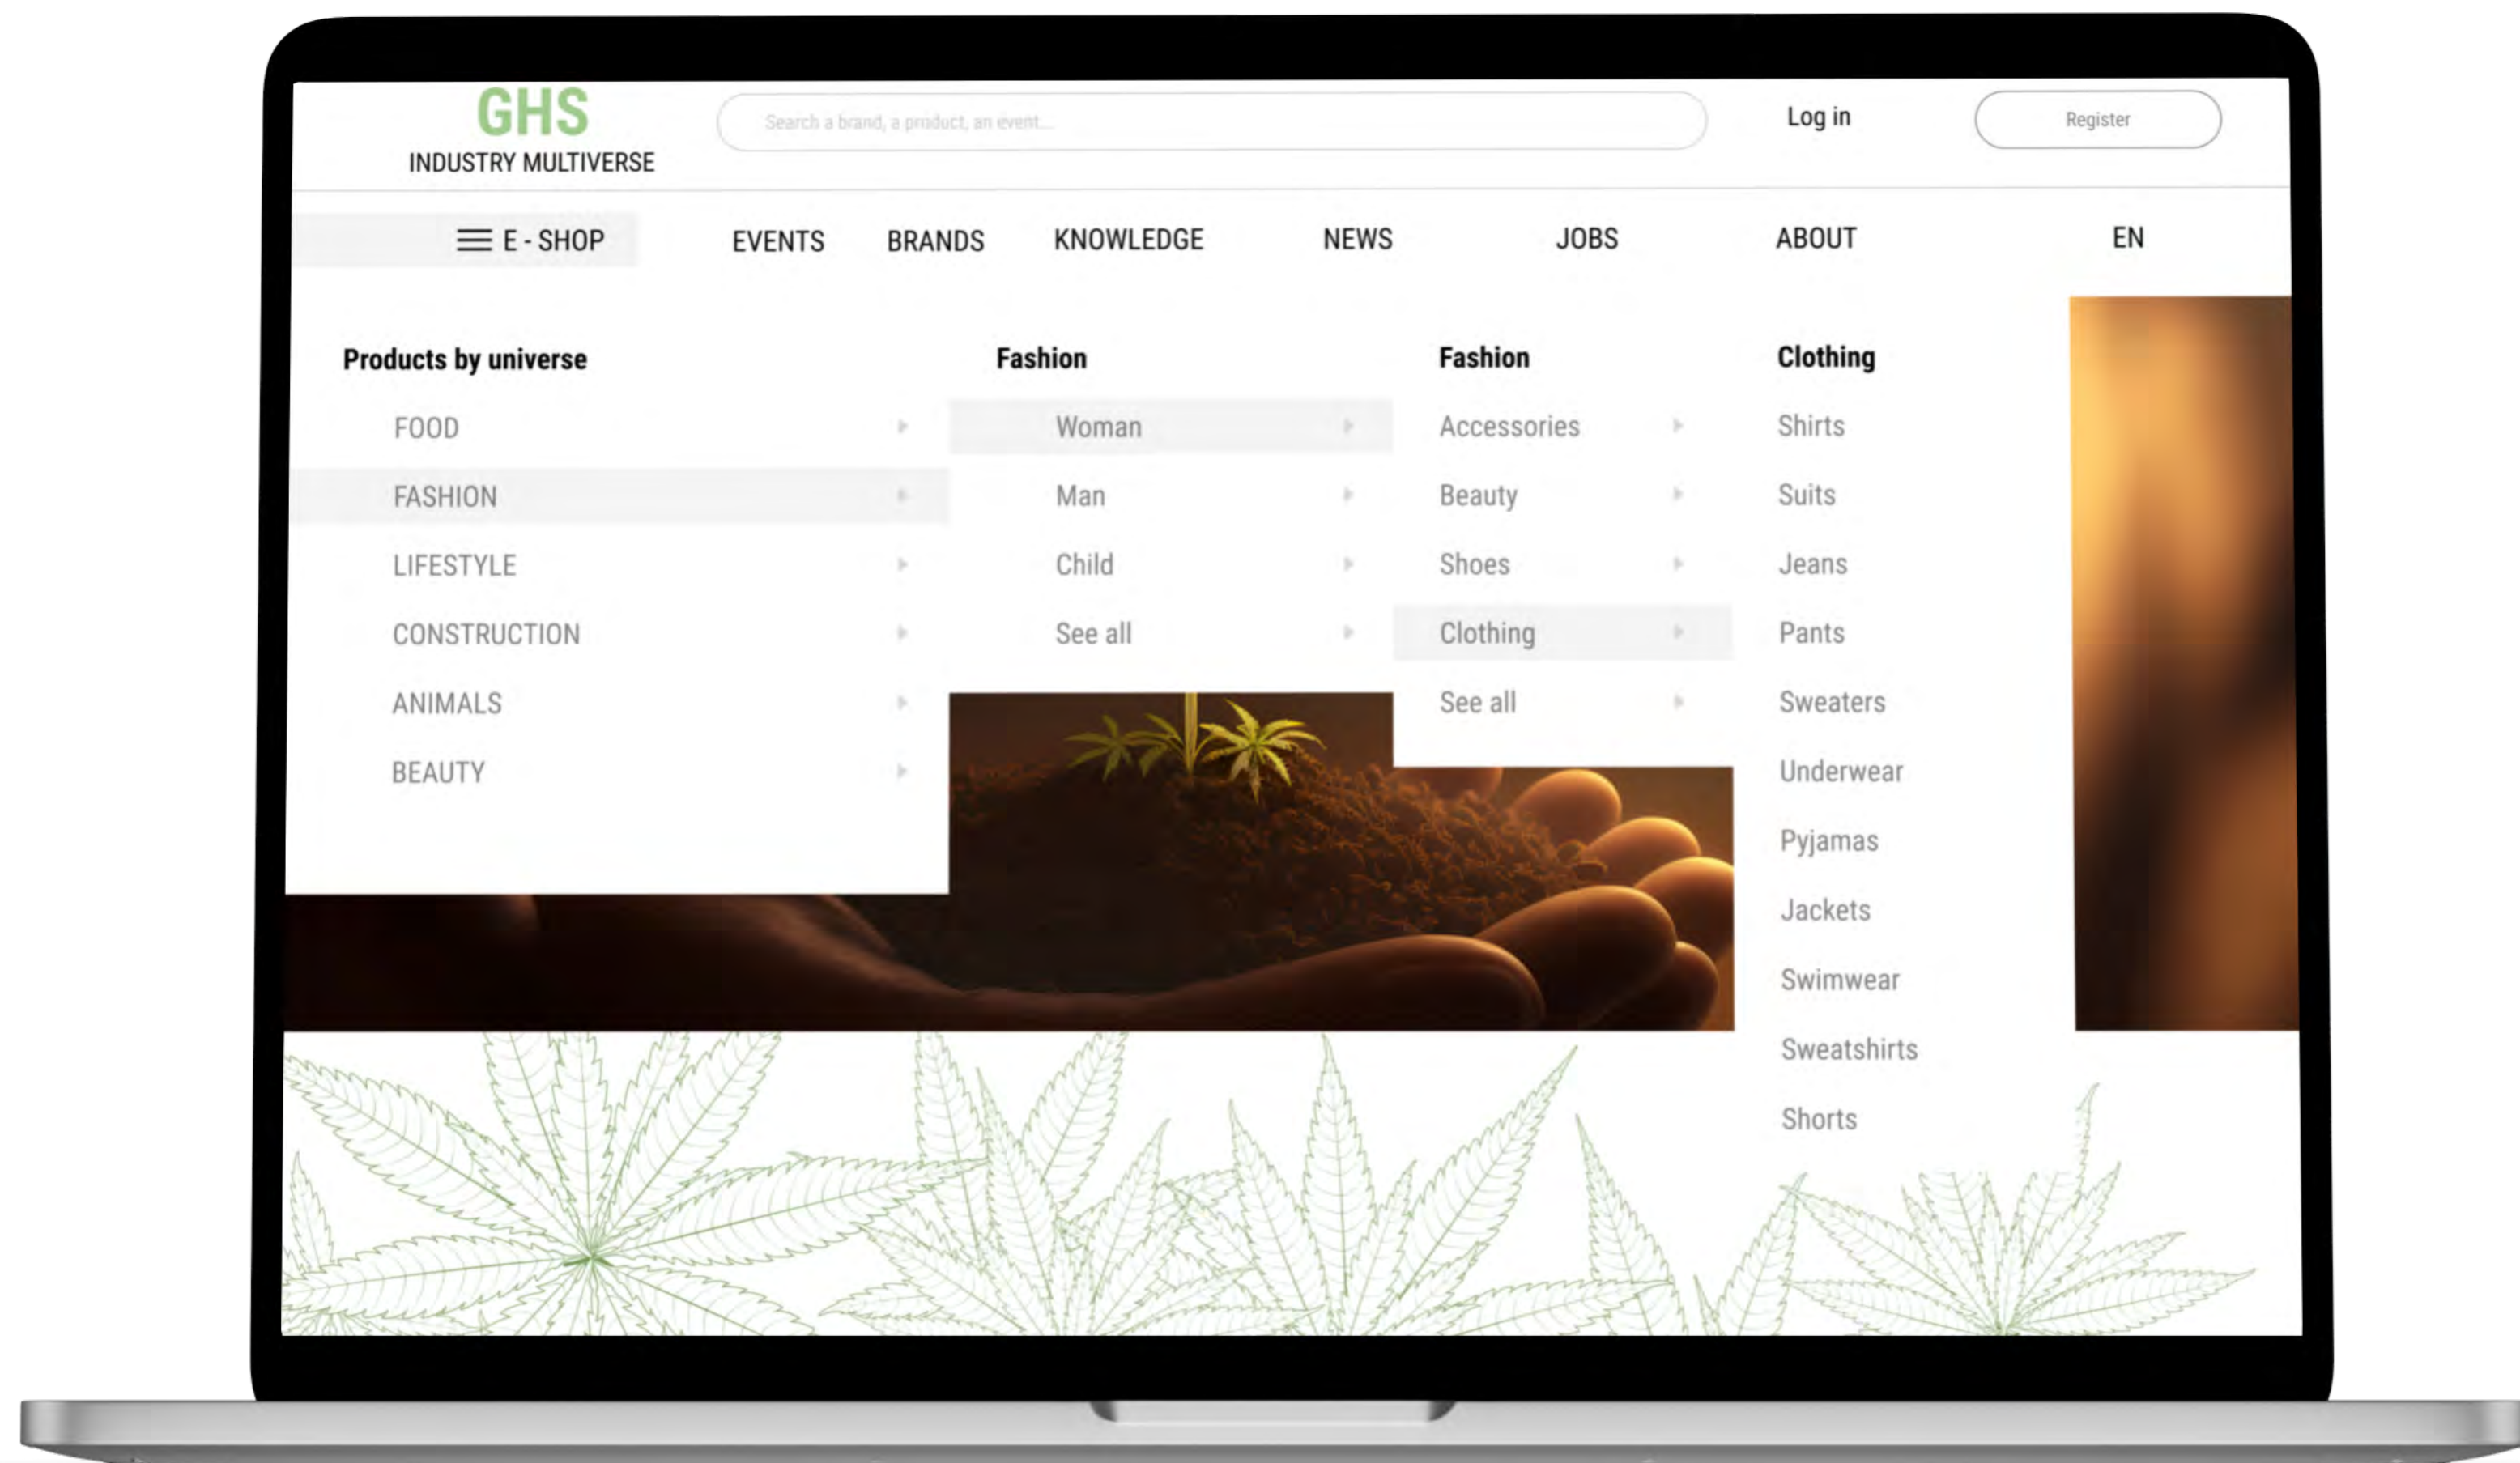

Making the Hemp Multiverse alive.

2030 Roadmap

1. B2C Ecommerce platform listing all products made with hemp globally
2. B2B Exchange serving Hemp professionals from soil to soul
3. Carbon market Integration via proprietary Life Cycle Certification
4. Industry 4.0 model Factory for Bio-economy

Funding

We are looking for \$400,000 in 2023 to further develop and promote GHS
